

# Sony Xperia X Battery Replacement

Is your Sony Xperia X Battery drain out quickly? Or is the USB Board can work normally but the Battery just can't be charged? This video will show you how to fix the damaged Sony Xperia X Battery.

Written By: Eric

A photograph of a hand holding a Sony Xperia X smartphone with the back cover removed, revealing the internal battery and components. The battery is a large, rectangular, silver-colored unit with various labels and markings. The hand is using a small, white, circular tool to work on the battery. The text 'Sony Xperia X Battery Repair Guide' is overlaid in large, bold, blue letters.
